Spend quality time with family and pets in San Francisco

Enjoy cable cars, an exciting waterfront and The Exploratorium while beating San Francisco's sky-high rates. The historic Westin St. Francis Family Package (with code FAMPKG25) starts at \$249 per night and includes 25 percent off a second room and complimentary meals for kids 12 and younger when dining with parents. What's more, the hotel welcomes one dog (weighing less than 40 pounds) for free. That means kids can enjoy their own room and the pooch gets a Westin Heavenly dog bed. (GETTY IMAGES)
