*The Westin St. Francis Unveils St. Francis Heights and Colonnade*

Welcome to San Francisco's newest luxury event spaces at The Westin St. Francis. Formerly known as the Imperial Floor and the Roosevelt Room and being unveiled in time for The Westin St. Francis' 115th anniversary, this grand San Francisco stunner is debuting two fully renovated event locations: St. Francis Heights and Colonnade. St. Francis Heights is a 32nd floor beauty, which includes two private event rooms. These jaw-dropping spaces have floor-to-ceiling windows that capture the essence of San Francisco and flood the rooms with light and views. As the only hotel on San Francisco's famed Union Square, The Westin St. Francis' Colonnade offers an unmatched view of this downtown gem. This room evokes a sense of the city, and you'll feel the heartbeat of San Francisco between these walls. Well-appointed and incredibly luxe, The Westin St. Francis' newest renovations will surely make their way onto your must-see list!
